- Frontend Backend

EXPERIENCE

INDEPENDENT WEB DEVELOPER 2021 -PRESENT | SURKHET NEPAL

- Managed end-to-end web development projects, handling tasks from domain hosting and client visits to convincing clients and coordinating with hired photographers.

DIGITAL MARKETING 2021 -2023 | SURKHET NEPAL

- During client interactions for web development projects, identified additional needs and successfully provided digital marketing services. Executed strategies to enhance online visibility, engage target audiences, and optimize the overall digital presence, ensuring comprehensive support for client success.

ENTREPRENEURIAL ENDEAVOR 3 MONTHS

- Founded and operated Chulo Food Delivery for a period of three months. Successfully established collaborations with hotels and cafes, negotiating terms such as commission rates. Managed the hiring and coordination of delivery personnel. Despite the venture's closure, gained valuable experience in business operations and negotiations.
